

Need Expert Compensation Advice?

Strategic Compensation Solutions (SCS) provides consulting services on compensation and performance management programs.

At SCS, we focus on your business and market strategy, your culture and management style, as well as your performance and rewards programs - all with a commitment to your complete satisfaction.

Gibson "Gib" Bradley, a Des Moines native, brings relevant experience to his clients across the full spectrum of HR. For ten years Gib was the Director of Executive Compensation at Procter & Gamble. He was also the Director of Compensation & Benefits at GE Finance.

Contact Gib today to discuss how he can put his years of experience to work for you.
